Welcome to the Club at Ironwood and the 2024 Member/Guest!

Thank you for joining us for this year's member-guest! We are thrilled to have you as part of the event and are eager to share some exciting golf and camaraderie with you over the weekend.

Our tournament format this year promises thrilling competition through multiple 9-hole matches. This setup allows each team to face off against all others in their flight, setting the stage for some fantastic rivalries and memories. The stakes get even higher as flight winners and two wild card teams vie for the title in the Grand Finale Shootout on Sunday.

The Friday night event will not only be an opportunity to enjoy wonderful food and fellowship it will also include a unique golf skills competition for teams to compete for one of two wild card spots into the Grand Finale Shootout.

To ensure smooth matches and maximize the excitement, we're aiming for six teams in each flight. To help us achieve this balance, signing up early is crucial, as our goal is 36 teams. Beyond 36 teams would be placed on a waiting list until we reach enough teams for an additional flight or flights. For those eager to hit the greens before the main event kicks off, please note that Friday morning play, including 9-hole rounds, before the noon tee off, is not permitted. We appreciate your understanding and cooperation in maintaining the fairness and integrity of the tournament schedule.

It's shaping up to be an unforgettable weekend filled with friendly competition, new friendships, and cherished memories. We can't wait to tee off with you soon!

Sincerely,

Ray Ellington

Tournament Format

Five 9-hole matches: *Flights of six teams play five matches within their flight. The winner of each flight will compete in the Grand Finale Championship Shootout to determine the Overall Champion. All matches are played in Match Play format.*

Scoring: *Points based scoring: 1 point for each hole won; .5 point for each hole halved. At the conclusion of the final round, the team with the most points in each flight will be the flight winner. If there is a tie within a flight, the winner of the regulation match will determine who moves on to the Finale. If that match is a tie, there will be a chip off.*

Grand Finale Shootout: *The shootout will consist of eight teams. Six (6) flight winners. The Golf Skills Challenge Winner (Friday Night) & winner of the Death Flight.*

Handicap Allowances: Handicaps will be determined which of the flights you are competing in and each player receives 80% of their handicap during play.

You and your guest must have an active GHIN # in the Handicap system to be eligible to compete.

Flights

There will be 6 flights with 6 teams in each.
